Dear Sirs:

Enclosed are the following Audit Reports regarding General Precision Laboratory, Inc.

#393 cy 3 DPD-2012-59 HF-2249  
#394 cy 3 DPD-2014-59 HF-6701  
#395 cy 3 DPD-2013-59 RA-1076

Schedule A-1 of each report shows the various customers. Are these customers under contract to AMC? In any event could you check to see if AMC has negotiated any settlements with GPL for RADAR equipment.

In particular we are interested in what they did regarding the following:

1. Research & Development Expense
2. Warranty Expense
3. Tools and Test Equipment
4. Profit

If settlements have not been effected by AMC then I suggest that some arrangements be established whereby the Customers can be uniform in their offers.

Let me have your comments regarding these reports.

Sincerely,

DAN
